Our new monotone
Solid Gun Metal Grey finish
brings an effortless elegance
to interior door wear

Durability, Performance and Precision are the cornerstones of all our products

All products undergo thorough testing at all stages of manufacture

All Levers must comply to strict quality examinations

Performance of all working parts is rigorously tested

Each Lever is assessed for resistance to corrosion and scratches

All collections are carefully checked by eye to ensure perfection before dispatch

All levers meet DIN EN 1906 Interior Residential classification standards
